

QUONAPAQUE '68

Kathy Germalmon - Robert Belanger

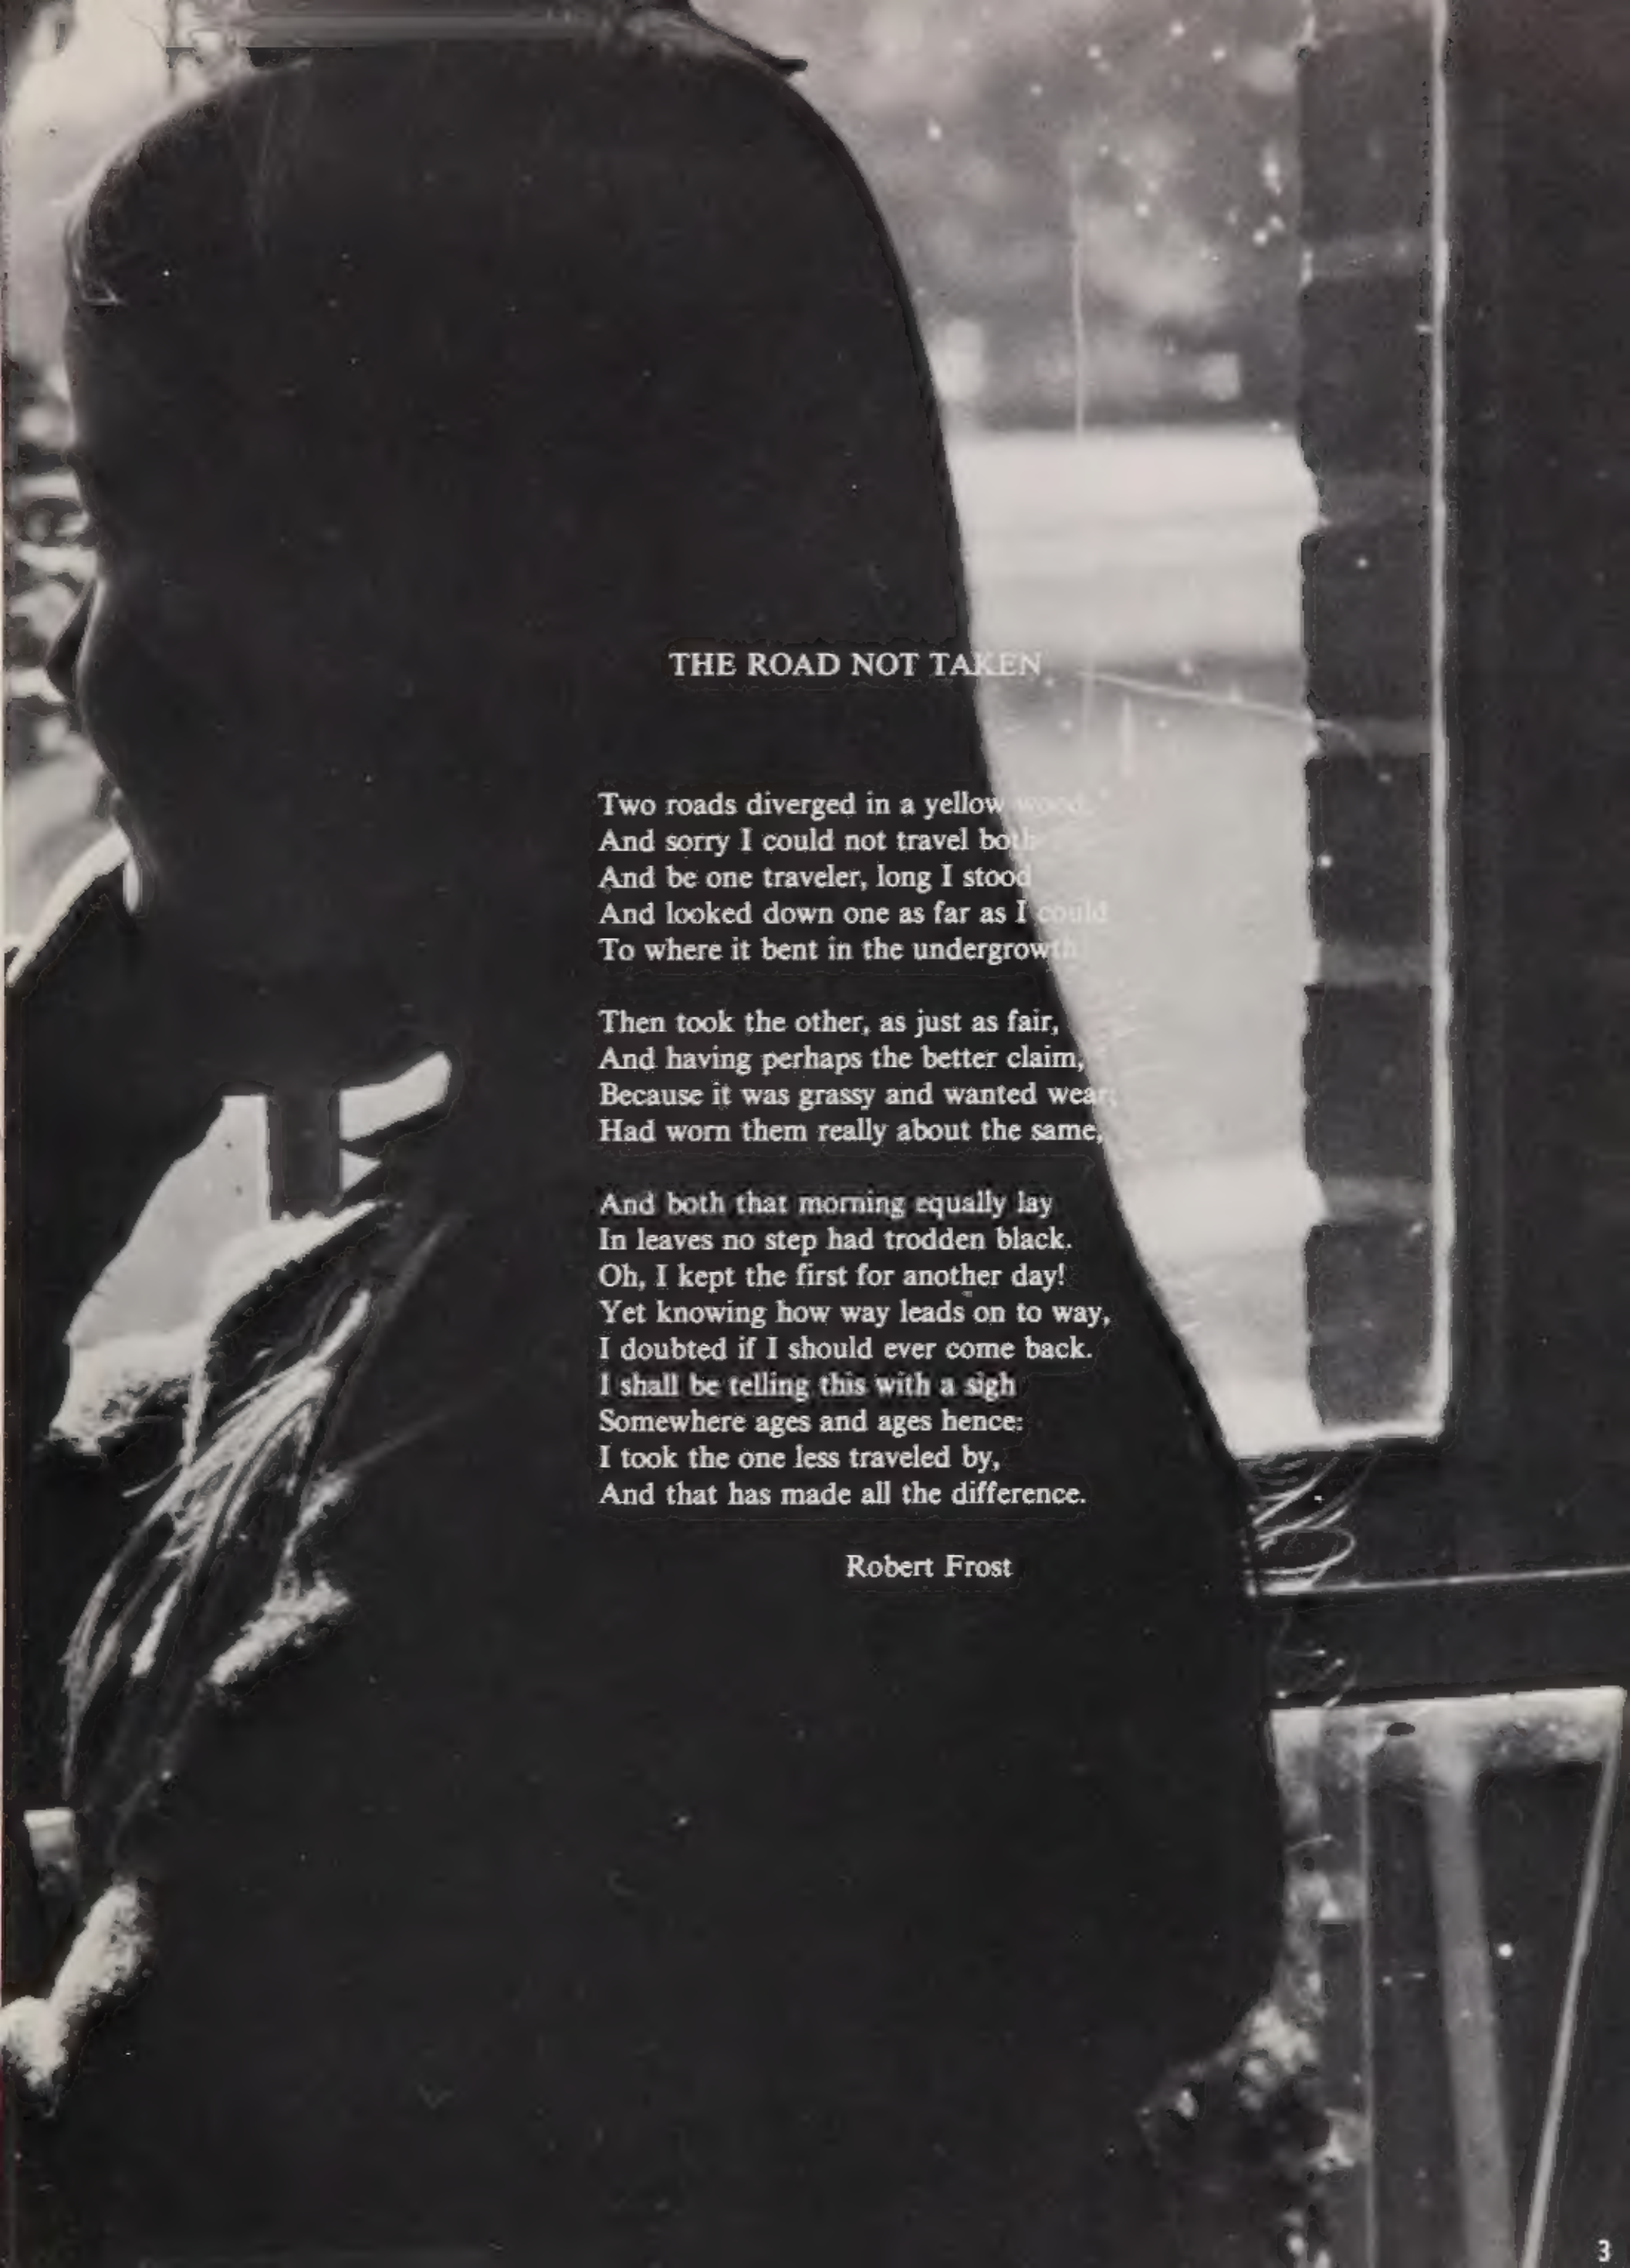

Maybe some day we will
fulfill our plans we have made
stay out of trouble in the
next 2 to 4 years you know
what I mean. I hope it
will be a great summer
for the both of us

Love you always
(Spider)
Bob

QUONAPAGUE
1968

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
I took the one less traveled by,
And that has made all the difference.

Robert Frost

Dedication

MRS. ETHEL MULLANEY

Mrs. Mullaney, we dedicate this year book to you in recognition of your enthusiasm, school spirit, and patience in dealing with the student body. Your ever present sense of humor and your perseverance in treating our sundry ailments are inspirations to us all.

Superintendent of Schools

JOHN B. SOMMI

My congratulations to each of the seniors for having reached the first major milestone in your life. It is my sincere hope that the Newton schools have provided you with background of information, ideas, and skills that will be more than enough to enable you to achieve the kind of life you would like to live in the coming years.

America is still the land of opportunity for those who choose to participate in its future. In order to reap the benefits of what America has to offer, you must also make a contribution, and I trust that your experience in Newtown High School will enable you to do this, because I know that the rewards this nation can offer, be they material or spiritual, are limitless.

Principal

MR. ALVAH R. CRAMER

A greeting appearing in the yearbook of a graduating class, in many ways, is as it seems—a backward look. With all of our troubles and trials, these four years have been very happy ones. We are proud of the class and the things you have done, but in no sense are we looking at these last four years with a nostalgic yearning. Instead we are looking for new leadership, fresh courage and above all imagination and intelligence necessary to cope with the problems that seems to prevail in every land all over the world.

We wish you every success and happiness in all of your future endeavors.

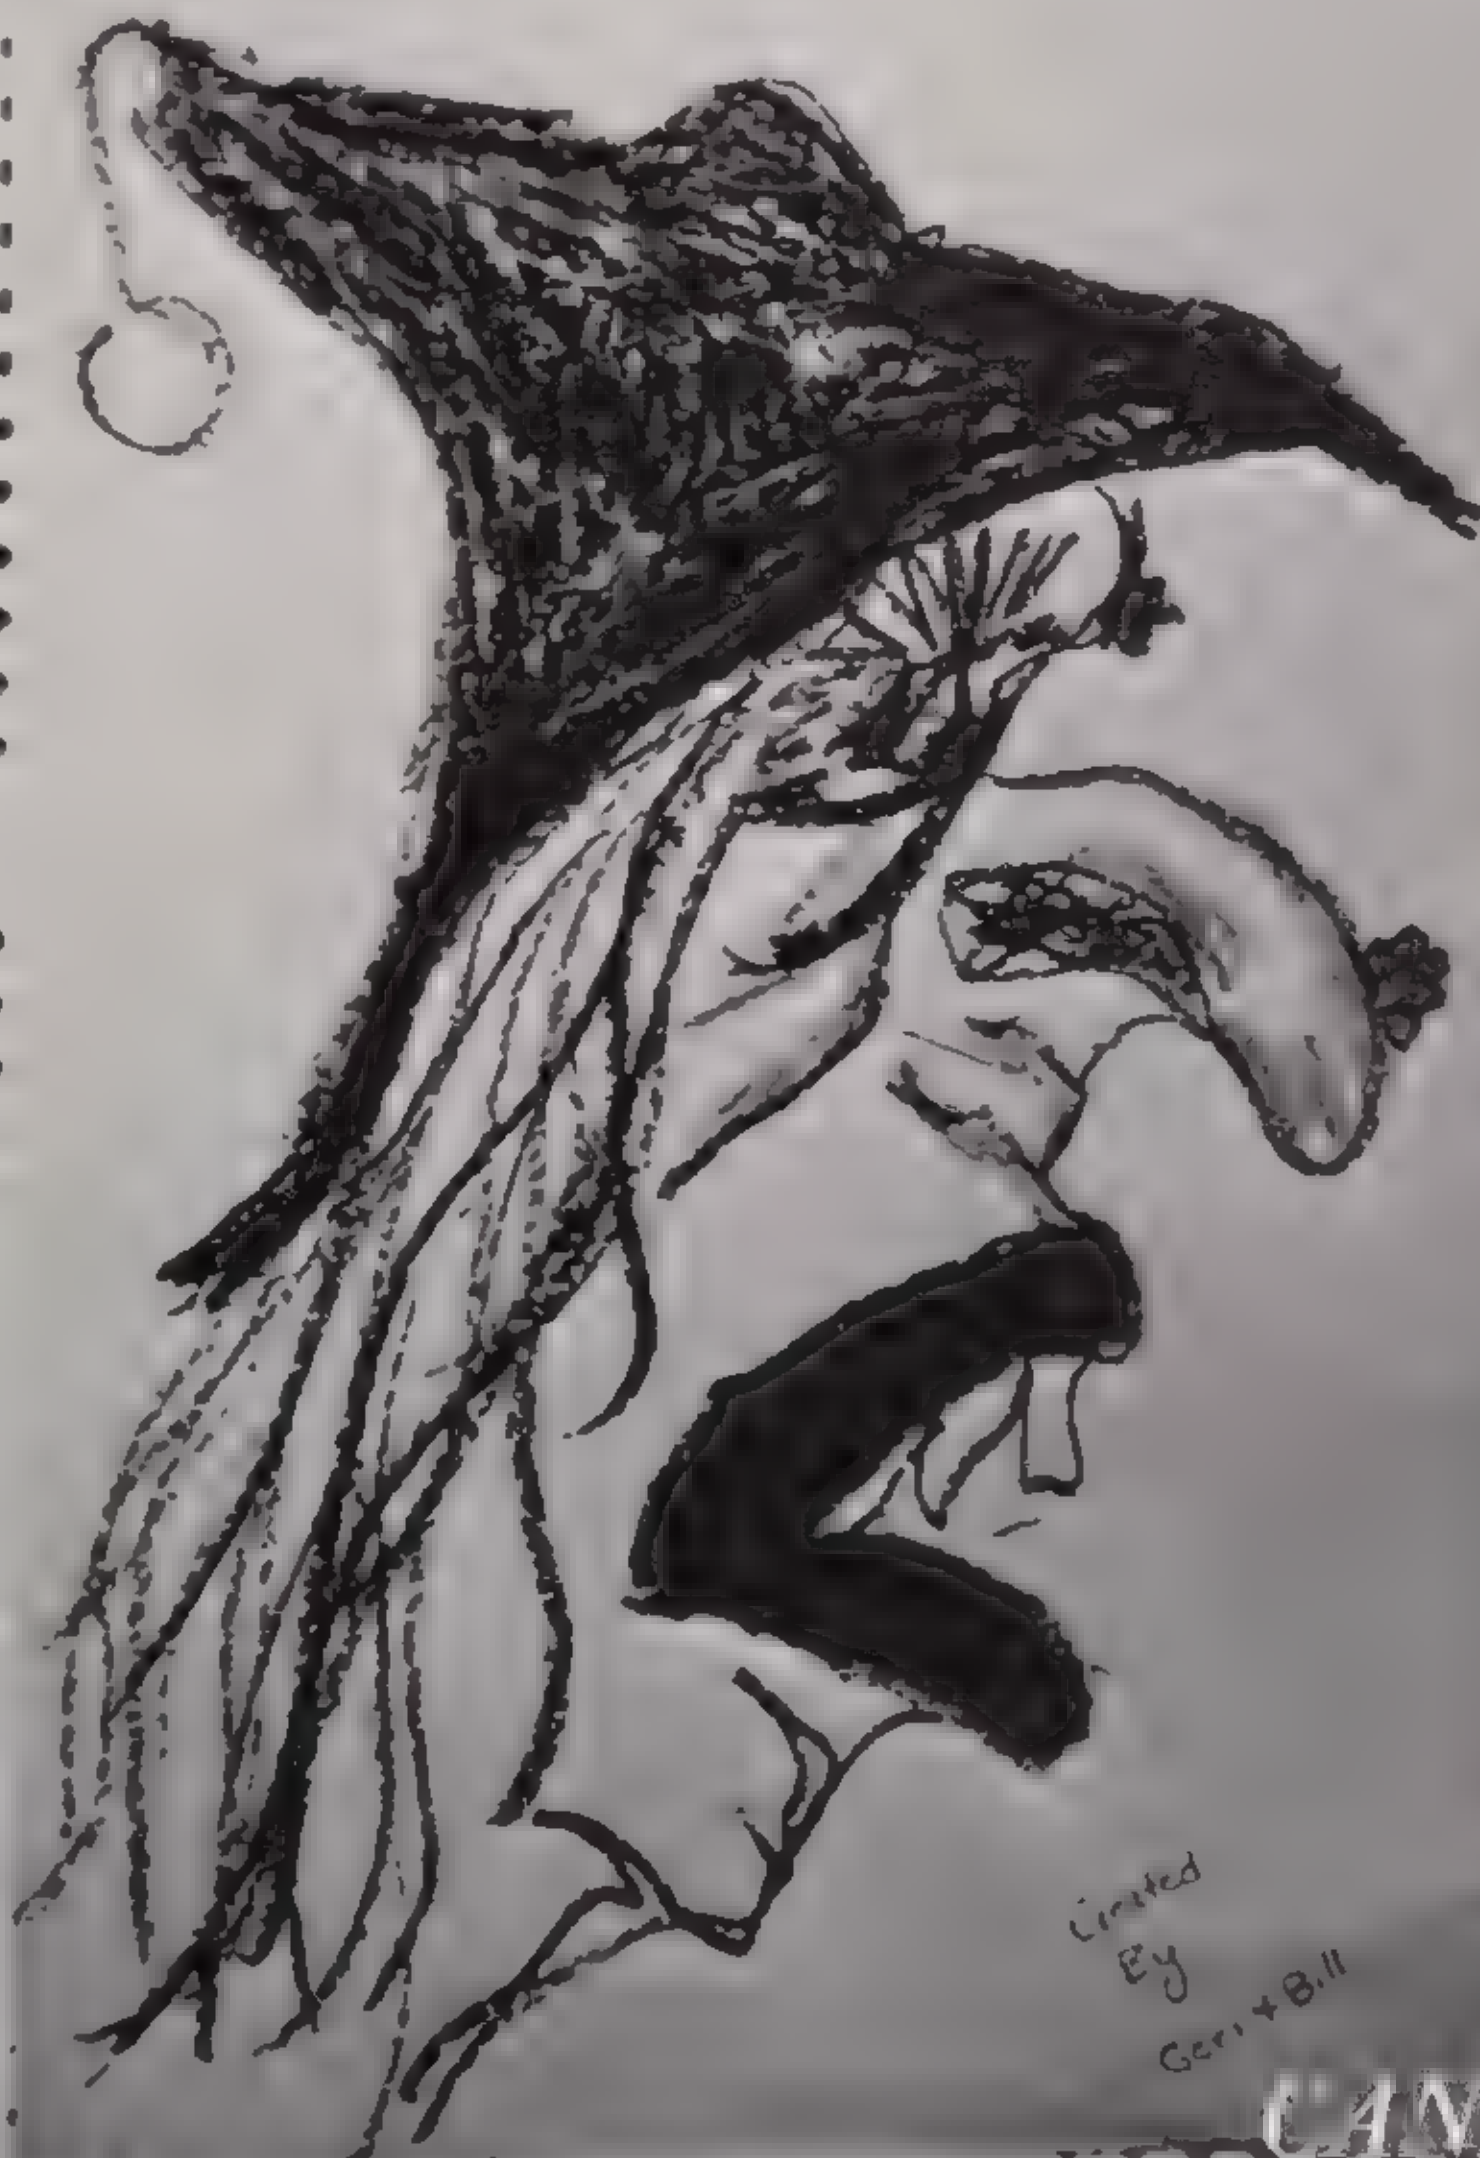

Mr. Winthrop D. Ballard
Assistant Superintendent

Mr Earl J Smith
Assistant Principal

“VITRAMON”

FOUNDATION SENIOR SCIENCE AWARD

The “VITRAMON” Foundation Senior Science Award is presented each year to the senior who has demonstrated exceptional capabilities in the field of science and who shows promise of achieving future distinction. Established by Barton L. Weeler, president of Vitramon, Incorporated, the award consists of outstanding books, a permanent plaque, and a scroll.

Vitramon, Incorporated, manufacturer of electronic components for our country's space and defense programs, is dedicated to the developing of scientific aptitudes at the student level and to creating an enthusiasm for continued work in this vital field of endeavor. This award is offered, therefore, as an incentive for and in recognition of student achievement in this field.

WINNERS OF THE AWARD ARE:

1962: Joseph P. Hoffman

1963: Ruth A. Hibbard

1964: Gail A. Parker

1965: Judy Kaufman

1966: Marjorie Kaufman

1967: Thomas Koup
